Konstantinos Pantelis

Graphic Designer & 3D Artist

ABOUT ME

A creative 2D & 3D Artist with a proven track record of over 7 years in the graphic design industry. Proficient in utilizing industry-standard programs such as Blender, 3ds Max, and Keyshot, I am recognized for expertise in designing compelling 3D mock-ups, showcasing advanced skills in product visualization, texturing, and animation. Also I specialize in the development of assets ready for use by other 3D artists & designers.

I have collaborated with upcoming brands such as KZ Lures (Cyprus) and Miniships on Request (Athens), focusing on the creation of unique prototypes and custom designs. My attention to detail is evident throughout the process, from the initial sketch to the final 3D-printed product. Over the last two years, I have worked professionally with 3D printing, designing and producing high-quality production models. This includes everything from precision design to the final stages of printing, ensuring optimal quality and performance. I am a dedicated team player, workaholic, and patient collaborator who actively contributes skills and insights to enhance team outcomes.

I have also contributed to renowned brands such as New Balance, Columbia, Adidas, Mytilineos Group, Brown Hotels, EKO Rally Acropolis, and IEK Delta, as well as JTI Hellas, Ploom, and Karelia. My expertise includes designing exhibition booths, interior and exterior signage, wayfinding signage, concept art, and interior and exterior pre-visualization. Additionally, I have been involved in creating custom-designed and manufactured items.

Since 2019, I have served as an Online Instructor for Photoshop, helping students and professionals alike master the software through engaging and practical lessons.
